Gentlemen:

I would like for this letter to be added to our file amending our License No. 24-011130-02. The items to be amended are numbers 6, "Users" and Number 7, "Alternate Radiation Safety Officer". In addition I would like a copy of our Users Training Guide to be put on file.

A brief outline of each item to be amended is as follows:

No. 6 - We would like the names of Larry L. Taylor, Bradford D. Young, and Dennis Litzsinger added to the list of users of licensed material. These gentlemen will replace James Washburn, Richard Yenzer, and Doug Niewoehner as users.

No. 7 - We would like to add the name of John R. Winkelmann to our license as "Alternate Radiation Safety Officer". His formal and practical training resume is included in this packet.

Sincerely,

*A. T. Kavlick*
