DEAR SIRs,

In regard to your letter, dated 10/8/91, we did mail a letter on September 29, 1991 regarding our NRC License # 34-26084-01. We apparently sent our letter to the wrong place. Enclosed, please find a copy of the letter we mailed plus the Certified Mail Receipts that show when we mailed them.

As it states in our letter, we wish to cancel our license since we are filing under a group license with Sentex Technology. Sorry, for the inconvenience. If you have any questions, please feel free to contact us.

Sincerely yours,

Mark Lemoncha
