Gentlemen:

Enclosed please find our application and fee for an NRC license for a Troxler Moisture-Density Gauge we are purchasing. Because of a heavy work load and the immediate need for this instrument, your prompt attention in this matter will be appreciated. Because of the time savings, I have used the AEC-313 form since I did not have a copy of the AEC-313 I form. I believe, however, that I have included all the necessary information. In the event that I have not, please, again in the interest of time, call me. Thank you.

Sincerely,

L. ROBERT KIMBALL & ASSOCIATES
