Dear Tom:

Upon receipt of your letter of January 12, I forwarded it to the ALWR Utility Steering Committee (ALWR-USC) since it is appropriate that the utilities respond on the basic issues you outline in the letter. Ed Kintner has responded for the ALWR-USC in his letter to you of January 13, and I concur with that letter.

We will be looking forward to the January 22 meeting for further discussions of these matters.

Sincerely,

John J. Taylor
