Gentlemen:

This is in reference to your application dated December 12, 1984, to renew License No 20-03339-02. In order to continue our review, we need the following additional information:

1. In reference to Khalid M. Butt, M.D., whom you have requested to be added to the license as an authorized user, Form NRC-313M, Supplement B must be completed and signed by the applicant physician's preceptor. Items 6 and 7 of the Form 313M, Supplement B submitted with your application appear to incorrectly contain the signature and name of the applicant and not the preceptor. In addition, Supplement B is only to list cases involving the personal participation of the applicant. Please review the Supplement to assure that only cases in which Dr. Butt personally participated are included. Please provide a corrected NRC-313M, Supplement B with the preceptor's signature in Item 6 and his name in Item 7.

We will continue our review upon receipt of this information. Please reply in duplicate to my attention at the Region I office and refer to Mail Control No. 03264.

Sincerely,

Original Signed By:
