URFO:SLW
Docket No. 40-8714

Cleveland Cliffs Iron Company
ATTN: Truman E. Louderback
Director of Environmental Affairs
818 Taughenbaugh Boulevard
Rifle, Colorado 81650

Dear Mr. Louderback:

The NRC has reviewed all the data available regarding restoration and stabilization of the Collins Draw site and the detailed results of this review are contained in the enclosed memorandum. As a result of our review, the NRC has concluded that restoration and stabilization have not been achieved at the Collins Draw site. Therefore, the NRC shall require Cleveland Cliffs Iron Company (CCIC) to perform additional restoration of the 1-Sand at the A-1 and B wellfields. CCIC shall provide for NRC review and approval, a detailed plan for additional restoration which includes the items discussed in the enclosed memorandum.

Should you have any questions, please contact Sandra L. Wastler at (303) 236-2811.

Original Signed By
Edward F. Hawkins
