Gentlemen:

This refers to the meeting at our office on May 9, 1985, between Mr. M. R. Wisenberg and me, and members of the Region IV staff. This spontaneous meeting was related to the current construction progress at the South Texas Project, HL&P's methodology of handling 50.55(e) items, and the office adjustment for the resident inspectors. This meeting was beneficial in that Mr. Wisenberg described the current status of construction and the program for completing construction.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC's Public Document Room.

Should you have any questions concerning this matter, we will be pleased to discuss them with you.

Sincerely,

Original Signed By
