V. Schroeder, Acting Deputy Director for Technical Review, Licensing

TECHNICAL ASSISTANCE REQUEST NO. ORB-2-115

PLANT NAME: Monticello  
DOCKET NUMBER: 50-263  
PROJECT MANAGER: James J. Shea (phone 7403)  
BRANCH CODE: ORB-2

DESCRIPTION OF REQUEST: Please provide suitable written responses as listed below to the Monticello interrogatories as requested in the attachment submitted by the Counsel for the Minnesota Pollution Control Agency.

Interrogatory No.	Responsible Individual
4	V. Benaroya
5	V. Benaroya
6	V. Benaroya
10a	S. Pawlicki
10b	W. Minners
12	L. Rubenstein
13	L. Rubenstein
14	W. Minners
15	L. Rubenstein
16	W. Minners

V. Stello and the above individuals or representatives were contacted on August 12, 1974, and provided with the referenced Monticello interrogatories. OGC has requested that written responses be prepared by August 16, 1974, in order to start the internal review proceedings and comply with the Minnesota Pollution Control Agency request by August 29, 1974. It has been suggested that much of the Pilgrim testimony is applicable.

Karl R. Goller, Assistant Director  
for Operating Reactors  
Directorate of Licensing
