RE: License #42-01512-01
Expiration Date 12/31/83
Notice of Intent to Renew

Gentlemen:

The Western Company of North America, Western Petroleum Services,
hereby gives notice of its intent to renew NRC License #42-01512-01
which is due to expire on December 31, 1983.

Due to delay of inhouse and out-of-house revisions to our Radiation
Safety Manual, we anticipate that our renewal letter and check for
fees will be mailed to you on or before December 22, 1983. We
request the License #42-01512-01 be extended to such time as required
by your agency to act on our renewal request.

Thank you for your cooperation in this matter.

Sincerely,

Robert I. Slaughter
