MEMORANDUM FOR: The Files

FROM: Marvin R. Peterson, Acting Assistant Director
Export/Import and International Safeguards
Office of International Programs

SUBJECT: EXCEPTION FROM 30-DAY WAITING PERIOD - EDLOW
INTERNATIONAL COMPANY, LICENSE AMENDMENT
NO. 01 TO XSNM02212

Edlow International Company requested an amendment to export license XSNM02212, to increase the quantity of material authorized for export by an additional 22 kilograms of uranium to Spain for use in Asco 2 Nuclear Power Plant.

The licensee requested that NRC waive the 30-day waiting period for this amendment in order to meet an urgent shipping schedule.

The proposed export is similar to numerous exports of material for reload fuel use throughout the world and involves no unusual considerations.

An exception from the full 30-day waiting period is granted.
