Gentlemen:

Enclosed is Amendment No. 03 to License No. 07-00455-37. You should review this amendment for correctness and to assure that any changes in procedures required by the conditions are implemented.

Please note that your old facility is presently not subject to release as an unrestricted area. Prior to release of your Radioisotope Laboratory for unrestricted use, it will be necessary for you to perform a decontamination survey (guide enclosed). Please submit these wipe test results for review within thirty (30) days from the date of this letter.

We wish you continued success with your licensed program.

Sincerely,

Original Signed By:
John E. Glenn
