Mr. Donnie H. Grimsley, Acting Chief  
Freedom of Information Branch  
Division of Rules and Records  
Office of Administration  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Grimsley:

Please provide, pursuant to the Freedom of Information Act, copies of all agency records or information relating to the October 1983 report by Judge Helen Hoyt and Sebastian Aloat regarding NRC investigations at the Zimmer Nuclear Power Station.

The report and some of its exhibits were previously made public in response to an earlier Freedom of Information Act request (FOIA 83-558), but the back-up documentation, though apparently collected and reviewed, was not placed in the Public Document Room. Since this review and collection has already occurred, I would appreciate your prompt response to this request.

Sincerely,

*Deborah B. Bauser*
