 Docket No.: 030-16055

Dear Ms. Stein:

This refers to the telephone conference held on November 24, 1991, between Mr. David Cesar of your staff and Mr. George McCann and Mr. John Madera of mine, concerning your Letter of Credit and Standby Trust Agreement dated November 16, 1992.

It is our understanding, from the referenced telephone conference, that the second paragraph, Section 17, of your Standby Trust Agreement was added by the Trustee to ensure that the Grantor (AMS) accepts full responsibility for compliance with any changes in the rules, regulations or requirements concerning hot cell operation or decommissioning, funding, administration, distribution of funds, or termination of the Trust.

We have reviewed your decommissioning financial assurance submittal dated July 7, 1992 (Letter of Credit issued July 8, 1992 only) and subsequent submittal dated November 18, 1992 (Letter of Credit Addendum and Standby Trust Agreement dated November 16, 1992). Within the scope of our review and with the understanding described above, no further deficiencies were identified. A copy of this information will be placed in your license file.

If you have any questions or require clarification on any of the information stated above, you may contact us at (708) 790-5625.

Sincerely,

John A. Grobe, Chief,
