Re: Dr. David V. Nenna
Your Invoice No. AM01924-91
License No. 29-28431-01
Our File No. C-J891

Dear Sir or Madam:

This office represents Dr. David V. Nenna who has forwarded to us a copy of your notice of October 8, 1991 seeking payment of \$3,576.02.

We understand that the charges are for the renewal of a radiation license. Dr. Nenna has advised us that after receiving the original invoice, he notified your agency that he was not interested in renewing the license and that he was advised that this would terminate the matter.

Dr. Nenna has, however, now received a "final notice". Since Dr. Nenna is not performing any of the procedures for which the license is required and since he does not wish to renew the license, we shall appreciate your marking your records accordingly and your cancelling the bill.

Thank you for your attention to this matter.

Very truly yours,

SCHACHTER, TROMBADORE, OFFEN,
STANTON & PAVICS, P.A.
