October 7, 1992

U.S. Nuclear Regulatory Commission
Region III
Materials Licensing Section
799 Roosevelt Road
Glen Ellyn Il. 60137

To whom it may concern:

The backscatter gauge that contained this Pml47 source has not been in use since December 1991.

The gauge has been decommissioned and the source has been disposed of.

Please terminate licence number 24-24747-01 for this gauge and cancel this invoice number AM06029-92.

Best Regards

Ronald Behrman
