Gentlemen:

I received your letter of May 16, 1985 terminating our Quality Assurance Program #0149, and reviewing my previous conversations with region III, I found I made a serious mistake.

After receiving your letter of August 28, 1984 (notification of renewal) I phoned Mr. Donald Gibbons of region III, requesting a clarification of your letter. What I asked was; If in my renewal of license number 48-16296-01 expiration date May 31, 1986; I had included the Quality Assurance program, why then was it necessary to comply with the provisions stated in the August 28 letter.

NRC Region III, Mr. Gibbons did return the requested information in a phone call to me, that the Quality Assurance program is a separate approval and the 150 dollar fee is applicable.

I then neglected to immediately comply with the August 28, letter and did not make any notes on the conversations, and as time passed, forgot the renewal notice.

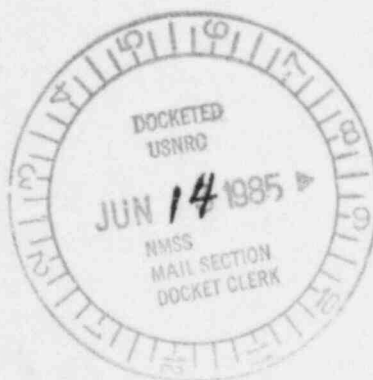

I request renewal of Quality Assurance Program #0149. I am enclosing a check for \$150.00 to cover the fee. I apologize for the inconvenience I have caused.

Sincerely

*Donald Paschen*
