Dear Ms Frazier,

As per our telephonic conversation, I am writing this letter for further clarification. I was issued materials license number 13-26323-01 on June 6, 1991 for use at 620 South Berkley, Kokomo, Indiana 46901. However, as previously notified, I have never possessed or used nuclear material in any way at my facility. I am no longer practicing at above address as I have previously informed NRC. Since I am not sure of my new address of re-location, I am requesting that this license (no. 13-26323-01) be terminated by U.S. Nuclear Regulatory Commission.

With kind regards.

Very Truly yours,

Azim Saqib
