Subject: License No. 06-20704-02E

Dear Susan:

Per our telecon, this is a request to terminate the above license. We now distribute only smoke detectors manufactured and initially distributed to Black & Decker by Seatt, Inc. under their license number 12-15537-02E. Accordingly, we understand that we do not need a license as we have asked Seatt, Inc. to reference the Black & Decker series of smoke detectors on Seatt's license.

Thank you again for your assistance in this matter.

Sincerely,

Lee Crawford
