MEMORANDUM FOR: File

FROM: C. Sebastian Aloit  
Office of the General Counsel

SUBJECT: TELEPHONE CONVERSATION WITH DAVID GAMBLE

At 2:23 on May 19, 1983, I returned Dave Gamble's telephone call to me. Mr. Gamble wanted to advise me that he had located a copy of the 7/9/81 GAO report on OIA. He agreed to send me those portions of the report which dealt with sharing of draft OIA reports. He also advised that we could review his interview notes but he did not want to make copies of them. Finally, he advised that he, Sinclair, John Streeter (R III) and Paul Barnett (R III) had met with the AUSA in Cincinnati and had requested that the AUSA criminal investigation into Zimmer be held up. He noted his willingness to meet with us further to provide additional information.
