FREEDOM OF INFORMATION
ACT REQUEST

FOIA 85-168
Rec'd 3-12-85

To Whom it may Concern:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 532.

Please send me one copy of the latest commission meeting report regarding the Wolf Creek Nuclear Plant located in Burlington, Kansas. Also send one copy of the plans to transport the radioactive material from this plant and area.

As you know, the FOI Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions of the FOI Act. I reserve the right to appeal your decision to withhold any materials.

I am prepared to pay reasonable search and duplication fees in connection with this request. However, the FOI Act provides for waiver or reduction of fees if disclosure could be considered as "primarily benefiting the general public." I am a graduate student at Barry University, and intend to use this information for a class project and discussion. Therefore, I ask that you waive all search and duplication fees. If you deny this request, however, and the fees will exceed \$5.00, please notify me of the charges before you fill my request so that I may decide whether to pay the fees or appeal your denial of my request for a waiver.

As I am making this request as a graduate student and this information is of timely value, I will appreciate your communicating with me, either by phone or by mail, within the 10 business days required by law.

Sincerely,
