

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

March 24, 1994

MEMORANDUM FOR: The Commissioners

FROM: James M. Taylor
Executive Director for Operations

SUBJECT: ADDITIONAL INFORMATION RELATED TO SECY-94-075

On March 22, 1994, the staff forwarded its recommendation to the Commission for proposed enforcement action against the Georgia Power Company (GPC) in SECY-94-075. The proposed enforcement action is based on information collected during an Office of Investigations (OI) investigation that was initiated in response to allegations that were made to Region II that material false statements were made to the NRC by senior GPC Licensee officials.

On March 22, 1994, the Office of Enforcement was informed that additional allegations were received by Region II on March 18, 1994. Some allegations appear in general terms to relate to a previous allegation (allegation 7 in the OI Report, [REDACTED]) challenging the accuracy of GPC's 10 CFR 2.206 response regarding the Senior Vice President - Nuclear Operation's participation in a teleconference on April 19, 1990.

Information in this record was deleted
in accordance with the Freedom of Information
Act, exemptions 5
FOIA- 95-81

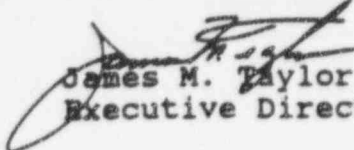

[REDACTED] THE STAFF WILL
forward all of the March 18, 1994 allegations to the ASLB through
the issuance of the enclosed Board Notification.
