CONVERSATION

SUBJECT

Tuba City - UMITRAP site

SUMMARY

I called Jim to inform him that I had no comments on the Tuba City Ph. I Construction Package Preliminary Design. The document specifies primarily demolition of the buildings + erection of a fence. I also told Jim that the NRC would not formally comment on this document, but that I would pass it along to Steve Smykowski. If Steve has any comments they can be provided by telephone, with a note to me.

This note closes out ticket 85551.
