TO : Those Listed Below

DATE: June 16, 1958

FROM : Roy C. Hageman, Director
Inspection Division *RCH*

SUBJECT: REPORT OF LINDSAY CHEMICAL COMPANY INSPECTION

SYMBOL: ID:RCH

I would like to express to you my congratulations for the very commendable report on the inspection of Lindsay Chemical Company license.

This was a very complex and difficult inspection to make.

The report itself is factual, objective, tells an extraordinarily fine story, and is very easy to read.

CC: Dr. Marvin M. Mann, Division of Inspection, Washington, D. C.
W. Kenneth Davis, Director, Division of Reactor Development,
