In the Matter of
VIRGINIA ELECTRIC & POWER COMPANY
(North Anna Nuclear Power Station, Units 1 and 2)
Docket No. 50-338/339 OLA-1

Dear Administrative Judges:

On July 2, 1985, the Staff received a "Motion of Extension of Time", dated June 27, 1985 which was filed on behalf of Concerned Citizens of Louisa County (CCLC) by James B. Dougherty, requesting a one week extension of time, from July 1 to July 8, in which CCLC must file its proposed findings and conclusions of law. The NRC staff has no objection to this request provided that it also be granted a one week extension, from July 11 to July 18, in which to file its proposed findings and conclusions of law with a supporting brief.

Sincerely,

Henry J. McGurran
Counsel for NRC Staff
