Dear Mr. Hickey:

We are requesting that the name of our Health Physics Officer be changed from Thomas J. Price to Linda C. Clements. The assistant will be David W. Engel. Our current license for the scientific use of radioisotopes is No. 32-00426-02.

Ms. Clements has recently (January 28 - February 1, 1985) completed a course at the Oak Ridge Associated Universities entitled "Safe use of radionuclides" which qualifies her for the position of Health Physics Officer in our Laboratory.

Sincerely yours,

T. R. Rice  
Laboratory Director
