Gentlemen:

This is in reference to your application, dated April 2, 1984, to renew Byproduct Material License No. 37-00261-04. In order to continue our review, we need the following additional information:

Although you described formal training received by W. Julian Carter, you failed to describe any experience using isotopes. Please submit a description of isotope experience including dates, locations, activities handled, isotopes handled, and the forms of materials handled.

We will continue our review of your application upon receipt of this information. Please reply in duplicate and refer to Control No. 17391.

Sincerely,

Original Signed By:
