Dear Dr. Glenn,

Re: License No. 37-00261-04
Docket No. 03015060
Control No. 17391

In accordance with your request, Mr. Sheridan J. Rodgers will reassume the duties and responsibilities of Radiation Safety Officer. During the next six months, I will be relearning the laboratory techniques and procedures with an emphasis on the safety aspects and monitoring of I^{131} uptake in the thyroid.

If this move satisfies your requirements, we would like to have the license renewal as soon as possible.

Very truly yours,

W. Julian Carter
