Dear Mr. Trojanowski:

I have been asked by several of my constituents whether it is true that the Ben Hill Rock Quarry owned by Davis Mineral Property located in the Ben Hill area of Southwest, Atlanta is being considered for a nuclear waste site. In accordance with the Freedom of Information Act, please advise me at your earliest convenience the validity of the above mentioned rumor. Also please accept this letter as my personal opposition to such a proposal should a request of a nuclear waste site be requested for this area.

Your earliest response, in writing, to the above request would be appreciated.

RE: 4 RIN-050-85

Dear Mr. Maddox:

Reference is made to your letter seeking information regarding a proposed nuclear waste disposal site in the Ben Hill area.

I have been unable to locate any information, even a rumor, regarding such a proposal.

You may wish to also contact the Environmental Protection Division of the Georgia Department of Natural Resources and the Nuclear Regulatory Commission. Either or both of these agencies could possibly have information on such a proposal prior to any materials reaching this office.

If I may be of assistance, please feel free to write.

Sincerely yours,
