Mr. Carl Thorne, Director  
Division of Politico-Military  
Security Affairs  
Office of International Security  
Affairs  
U.S. Department of Energy  
Washington, D.C. 20585

Dear Mr. Thorne:

Enclosed is an application for an export license received recently by NRC for a reload of low-enriched uranium fuel for Fukushima II, Unit 2, in Japan. A letter of assurance is required that the material will be subject to all of the terms and conditions of an agreement for cooperation. Your assistance in obtaining the necessary assurance letter will be appreciated.

Sincerely,

A handwritten signature in black ink, appearing to be "James V. Zimmerman", written over a large, loopy flourish.

James V. Zimmerman, Assistant Director  
Export/Import and International  
Safeguards  
Office of International Programs
