

This preliminary notification constitutes EARLY notice of events of POSSIBLE safety or public interest significance. The information is as initially received without verification or evaluation, and is basically all that is known by the staff on this date.

Facility: Toledo Edison Company
Davis-Besse
Oak Harbor, Ohio

Docket No. 50-346

Licensee Emergency Classification:
____ Notification of an Unusual Event
____ Alert
____ Site Area Emergency
____ General Emergency
X Not Applicable

Subject: LOADED WEAPON FOUND DURING ENTRY SEARCH (UPDATE)

The licensee continues to investigate this incident, in which a newly hired management employee was found by security personnel to be carrying an unloaded .380 caliber handgun in his briefcase on July 2, 1985. The individual remains suspended from his job. His site access authorization also has been suspended pending completion of the investigation.

The licensee has verified that the weapon was obtained legally, and that the individual had successfully passed both pre-employment psychological evaluations and background screening. The Toledo Police Department corroborated the individual's statements about recent breakins at his residence, and that he had previously requested increases surveillance at his home by a private security firm. (The individual claimed he purchased the handgun for self-protection and had forgotten to remove it from his briefcase.) The FBI has no adverse information on this individual according to the licensee.

Region III (Chicago) will continue to monitor the investigation and will be notified before any additional actions are taken one the investigation is complete.

The State of Ohio will be notified.

Region III was notified of the most current information at 9:30 a.m. (CST), July 3, 1985. This information is current as of 12:30 p.m. (CST), July 3, 1985.
