Dear Captain Malinoski:

SUBJECT: RII-93-A-0010, ALLEGATIONS REGARDING QUESTIONABLE RADIATION SAFETY PRACTICES AT THE NAVAL AIR WARFARE CENTER CHINA LAKE

Enclosure 1 to this letter documents information received during discussions between NRC Region V personnel and a concerned individual. The NRC has not made a direct attempt to ascertain the accuracy of the information supplied by the individual. The concerns in the enclosure are provided for your review and so that you can take the appropriate action to resolve this matter.

The enclosed information is not being placed in the Public Document Room. Appropriate safeguards must be applied to the enclosed information in view of its unsubstantiated nature in order to avoid an unwarranted invasion of privacy of individuals.

You are requested to review these concerns and provide us with a summary of your review's findings within sixty days of receipt of this letter. The review should be sufficient to determine whether the concerns were substantiated, and if they were, how were they resolved. Enclosure 2 contains the type of information the NRC also would address if it was conducting this review. Your review should have sufficient scope to address these issues. However, the scope of the review should not necessarily be limited to these issues only. In order to ensure appropriate protection of the information, please mark the summary of findings as containing "Information Exempt From Disclosure Under 10 CFR 2.790(a)(6) and (7)." Indicate on the envelope that it is "TO BE OPENED BY ADDRESSEE ONLY."

If you have any questions regarding this matter, please call Mr. John M. Pelchat at (404) 331-5083.
