Honorable Richard Thornburgh
Governor
Room 225
Main Capitol
Harrisburg, Pennsylvania 17120

SERVED MAY 29 1985

Dear Governor Thornburgh:

At this time, I would like to ask for your help in turning the juice back on at TMI.

I think that the rate payers at Met Ed and GPU have been paying the high rate long enough. We should be utilizing the nuclear energy that is available to us.

Thank you for your consideration in this matter.

Sincerely,

Richard A. Geist
