U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

ATTENTION: MR. R. W. BORCHARDT

SUBJECT: TEST SCHEDULE FOR THE AP600 AUTOMATIC DEPRESSURIZATION
SYSTEM TEST - PHASE B

REFERENCE: N. J. LIPARULO TO DR. T. MURLEY, "UPDATED TESTING SCHEDULES
FOR THE AP600 TESTING PROGRAM," ET-NRC-93-3800, DATED JANUARY
19, 1993

Dear Mr. Borchardt:

Westinghouse recently provided updated schedules for the AP600 testing program via the reference letter. An updated schedule for the ADS Phase B tests was included as part of this package. This schedule is no longer the most current test schedule.

The most current schedule for the ADS Phase B tests is provided as an attachment to this letter. This schedule, dated 12/16/92, supersedes figure 7 of the reference letter (ADS Phase B schedule dated 1/8/93). A revision to Figure 2 of the reference letter is also attached.

Westinghouse is currently in the process of updating the schedules for the ADS Phase B tests and upon completion this information will be forwarded to the NRC staff.

The Westinghouse Electric Corporation copyright notice is attached.
