Re: SER Suppl. #4 Phila Elec. Limerick Gen Sta.

Docket # 50-352,3530L

Dear Mr. Butler,

We received from you a copy of a letter dated 5/22/85 announcing the issuance of SER Supplement # 4 for Limerick. The list of those to whom a copy was sent, was enclosed, including us, with a note "cc w/enclosure". We received only a copy of the letter, no enclosure, no supplement # 4. We conclude this was an oversight.

Since we need this SER Supplement in the pursuit of our appeal rights, we ask that you supply us with it as soon as possible.

Thank you,

Robert L. Anthony
