UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

Mr. P. J. Rosenbaum
163 Academy Drive
Longmeadow, MA 01106

NOV 08 1984

IN RESPONSE REFER
TO FOIA-84-803

Dear Mr. Rosenbaum:

This responds to your letter dated October 12, 1984, in which you requested, pursuant to the Freedom of Information Act, a copy of NRC Byproduct Material License 20-18449-01 and the application to any letter or supporting documentation for a license.

Forty-six documents covering the period March 17, 1979, through September 7, 1984, are available from the NRC Public Document Room (PDR), 1717 H Street, NW, Washington, DC 20555. Documents that can be accessed by accession numbers are listed on enclosed Appendix A. The license and its amendments 1 through 15 and all documents other than those with accession numbers are listed on enclosed Appendix B and are being placed in the PDR in a folder identified as FOIA-84-803.

There is no charge for inspecting records maintained at the PDR. The charge for copying records maintained at the PDR is seven cents (\$0.07) per page, as specified in 10 CFR 9.14(a).

You may obtain copies of the records identified on Appendices A and B by calling (202-634-3273) or writing directly to the PDR. The PDR will arrange for the records to be reproduced by a private reproduction contractor servicing the PDR. You will be charged by the contractor for reproduction costs plus shipping and mailing charges. Orders will not be delivered until payment is received by the contractor. Payment may be by (1) charge to a major credit card (no phone orders accepted), (2) charge to a pre-established deposit account, or (3) cash or check. If you wish to pay by cash or check, you will be notified by the contractor of the exact costs, and the contractor will hold your completed order until payment is received.

Sincerely,

A handwritten signature in cursive script, appearing to read "John M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration
