Re: In the matter of Texas Utilities Generating Co.,  
et. al. (Docket Nos. 50-445-2 and 50-446-2)

Gentlemen:

Applicant has yet to serve on us a copy of the CPRT. In light of applicant's reliance on that document in its June 28 filing, the fact that our offices will be closed for the remainder of this week, that Mr. Garde will be in Texas preparing for and participating in hearings before the DOL regarding Ms. Hatley for the week of July 8th, that the NRC has scheduled a meeting in Texas on July 19th to transmit and receive preliminary thoughts on the CPRT among the parties and the usual press of business, we anticipate our filing regarding scheduling for the resolution of outstanding matters will not be made sooner than during the week of July 25th. That filing will address only the process by which we believe the Board should determine how to resolve outstanding matters including the matters set forth in the Applicant's June 28 filing.
