Mr. Tom Madden
Congressional Affairs Office
Nuclear Regulatory Commission
1717 H street, N.W.
Washington, D.C. 20555

Dear Mr. Madden:

Recently my constituent, Ms. Sandra L. Carreiro, requested a detailed written report on the new regulations regarding the reclassifying of widely-used nuclear impregnated Tungsten welding electrodes (such as Thoriated) as hazardous nuclear material. These developments have a significant impact on Ms. Carreiro's business and it is important that she receive this information in the near future.

Please send a copy of these new regulations to my office and I will forward them to Ms. Carreiro. Thank you in advance for your cooperation in this matter and I look forward to hearing from you soon. If you have any question concerning this request, please contact Brad Mathews or Ruth Fisher of my staff at (202) 225-7163.

Sincerely,

Robert T. Matsui
Member of Congress
