Huntington, WV 25701

Gentlemen:

SUBJECT: REPORT NO. 47-19672-01/85-01

Thank you for your response of May 8, 1985, to our Notice of Violation issued on April 30, 1985, concerning activities conducted at your Huntington facility under NRC License No. 47-19672-01. Your response enclosed a missing calibration report for the first six-month interval but not for the second interval, therefore, we cannot completely withdraw the citation. We have evaluated your response and found that it does not provide an explanation of the corrective steps and date of full compliance as specified in the Notice of Violation. Therefore, you will need to provide a supplementary response concerning these topics within 20 days of the date of this letter.

We appreciate your cooperation in this matter.

Sincerely,

J. Philip Stohr, Director
Division of Radiation Safety
and Safeguards
