Mr. Howard E. Kremers  
Technical Assistant to the President  
Lindsay Chemical Company  
West Chicago, Illinois

Dear Mr. Kremers:

You will recall that members of this office made an initial inspection of your source material program under License No. R-106.

I would like to have Mr. Richard C. Williams of my staff visit with members of your organization at 10:00 AM on Thursday, June 11, to make a reinspection of the above program and an initial inspection of Licenses No. 12-4932-1 and C-3377. He will also be interested in reviewing your records pertaining to your various Part 40 export licenses. Mr. Williams may be accompanied by a representative of the Illinois Department of Public Health.

Please let me know if the above time is not satisfactory for the members of your staff that are concerned.

Very truly yours,
