Subject: Name Change of Ultimate Consignee

Dear Ms. Wright:

Per our recent discussion, this is to advise that as a result of a reorganization in the Bulgarian Government the Association Energetika, listed as the ultimate consignee on our NRC export license XCOM-1032, has become the "National Electric Company"; the address remains unchanged.

Westinghouse will shortly submit an amendment request reflecting this name change.

Should the Nuclear Regulatory Commission have any questions on this matter, please call me at (412) 374-3262.

Sincerely,

William S. Hudec
Senior License Administrator
International
