Dear Mr. Everett:

This letter is in response to your correspondence of October 23, 1984, regarding the application for a Type A license of broad scope submitted earlier by Houston Lighting & Power Company. HL&P is in the process of generating responses to the questions submitted earlier to HL&P. The responses are currently expected to be submitted to you by January 14, 1985.

If there are any questions, please contact Mr. Philip L. Walker at (713) 922-2030.

Very truly yours,

M. R. Wisenburg
Manager, Nuclear Licensing
