MR RICHARD L BANGART, DIRECTOR  
NUCLEAR REGULATORY COMMISSION

Mr. John E. Loskot  
1401 Cornstock Dr.  
Las Vegas, NV 89106

DEAR SIR

IF YOU RECALL IN MY LAST LETTER BY USING MY PROCESS HOW EASY IT IS TO MAKE URANIUM. FROM LEAD, IT IS A FOUR STEP PROCESS.

AND NUCLEAR WASTE SHOULD BE RECYCLED AT THE SITE OF ORIGIN AND NOT SHIPED HUNDREDS OF MILES TO A DEPOSITORY SITE SUCH AS YUCCA MOUNTAIN,

BUT THERE IS ANOTHER CONSIDERATION THAT SHOULD BE CAREFULLY EVALUATED,

THAT CONSIDERATION IS THIS FACT, SOONER OR LATER SOME ONE IS GOING TO REALIZE THAT THE SAME PROCESS, THE SAME EQUIPMENT, USING HELIUM GAS AS THE PROJECTILE AND URANIUM AS THE TARGET PLUTONIUM CAN BE MADE IN HUGE QUANTITIES,

THIS IS WHY I DO NOT RECOMEND THAT NUCLEAR FUEL BE RECYCLED, IT WOULD BUT A SHORT TIME BEFORE SOME ONE WOULD REALIZE HOW EASY IT IS TO MAKE PLUTONIUM,

RECYCLING NUCLEAR WASTE CAN BE DONE AND SHOULD BE DONE, BUT I DOUBT VERY MUCH IF IT WILL OCCUR. THIS IS BECAUSE OF THE FALSE PRIDE OF OUR LEADERSHIP. THEY THINK THAT THEY KNOW IT ALL AND SIMPLY WILL NOT LISTEN TO THOSE THEY CONSIDER THEIR INFERIORS, FOR EXAMPLE, THE SECRETARY OF THE DEPARTMENT OF ENERGY, MRS O LEARY. SHE WILL NOT ANSWER A LETTER FROM ME. SO ALL THAT I CAN DO IS TO LET HER TAKE HER PRIDE TO HER GRAVE, ANOTHER EXAMPLE IS THE SENATOR FROM LOUISIANA, IF I REMEMBER HIS NAME IS SENATOR JOHNSTON,

SO ALL THAT I CAN DO IS TO LET SUCH LEADERS TAKE THEIR PRIDE WITH THEN TO THE GRAVE, WHILE I CONTINUE TO LIVE ON, FOR I HAVE ONLY GOT TO LIVE ANOTHER TWENTY FIVE YEARS OR SO AND I WILL BE ONE OF THE OLDEST, IF NOT THE OLDEST LIVING AMERICAN MAN CITIZEN, A VERY FEW WOMAN MAY LIVE BEYOND AGE, WHAT I DO NOT LIKE ABOUT THIS AGEING PROCESS IS THAT AS A SURVIVOR YOU FIND YOURSELF ALL ALONE, YOU BECUME A STRANGER AMONG STRANGERS, ALL YOU HAVE LEFT ARE YOUR MEMORIES OF WHAT CAN NEVER BE AGAIN,

JOHN E. LOSKOT
