Re: License SUA-1473

Ambrosia Lake Environmental Report

Dear Mr. Hall:

This letter is to confirm my discussions with Mr. Ed Hawkins of your staff on December 10 concerning Quivira's request to obtain an extension to submit the Environmental Report for the Ambrosia Lake facility.

Pursuant to these conversations, it was agreed to submit the updated Environmental Report for the Ambrosia Lake facility on February 15, 1993. This extension will allow Quivira the necessary time to complete its supplemental Environmental Report for the facility. We appreciate NRC's extension on this matter.

Sincerely,

*Bill Ferdinand*
