OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

Dear Sir:

In my review, I have noticed the N.R.C.'s term of "meeting" is quite broad.

I would suggest any meeting that the N.R.C. has in regards to nuclear reactors have a transcript. They are essential for maintaining adequate and proper records.

Your earliest possible response in the above matter would be greatly appreciated.

Sincerely,

Jon R. Eckert,
Director
