Gentlemen:

Mauer Clinic will be moving to 3401 North Kennicott, Arlington Heights, Illinois 60004.

Since the only source to be moved is in the Bone Densitometer (I-25, sealed source), no close out survey need be performed.

All used sources are returned to the manufacturer, according to our license application.

Once the Densitometer is received at the new location, a check will be conducted to assure the source is intact.

Sincerely,

*W. J. Mauer, D.O.*  
WILLIAM J. MAUER, D.O.
