REPORT OF OVEREXPOSURE - AMERICAN POTASH AND CHEMICAL CORP.,  
WEST CHICAGO, ILLINOIS - LICENSE NO. STA-583

CO:III:JMA

Reference a report of overexposure dated September 5, 1963 from  
subject licensee.

We plan to inquire into this matter at the time of the next in-  
spection of the licensee. We note that this occurrence is repe-  
titious of three previously reported overexposures on May 9, 1962,  
August 1, 1962 and May 9, 1963. We will critically review the  
licensee's corrective actions in each instance.
