Dear Mr. Carr:

We have received your letter dated January 22, 1993, regarding the reply to the "Notice of Violations" issued in the Nuclear Regulatory Commission Inspection Report No. 70-1201/92-201. Your response has been deemed adequate, however, it was not received by the NRC within the 30 days specified in the "Notice of Violations." This is in violation of 10 CFR 2.201.

Due to the fact that the NRC was informed of the non-compliance by Kathryn Knapp, Manager, Safety and Licensing, on January 21, 1993, and the situation was promptly acted upon, the NRC is issuing a Non-Cited Violation which is summarized in Enclosure 1. No response is required in regard to this matter.
