SUBJECT: COMPLIANCE INQUIRY MEMORANDUM  
 AMERICAN POTASH AND CHEMICAL COMPANY  
 WEST CHICAGO, ILLINOIS, LICENSE NO. STA-583  
 PERSONNEL EXPOSURE - TWO EMPLOYEES

Reference a letter dated July 24, 1964, from subject licensee in which a report of personnel exposures to two employees of 3210 millirem and 2070 millirem respectively, during the second quarter of 1964 is made.

Region III will look into these exposures during the next scheduled inspection of the licensee.
