Dear Dr. Cohen:

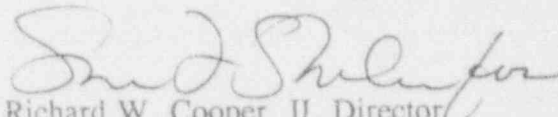

Subject: Confirmatory Action Letter No. 1-92-015

This refers to the Confirmatory Action Letter (CAL) issued to you on November 12, 1992 and amended on November 19, 1992. Based on our review of your responses dated November 12, 16, 17, and 20, 1992 and January 22, 1993 and a review of the implementation of the items described in the letters by S. Arredondo of this office at your facility on February 1, 1993, the actions discussed in the CAL and amendment are complete. In accordance with item 3 of the November 19, 1992 CAL amendment, we have no objection to your resumption of licensed material.

Our evaluation of the appropriate enforcement action for the violations identified during the November 10 and 11, 1992 inspection is not yet complete. We will notify you when that evaluation has been completed.

Your cooperation with us is appreciated.

Sincerely,

Richard W. Cooper, II, Director
Division of Radiation Safety
and Safeguards
