U.S. Nuclear Regulatory Commission

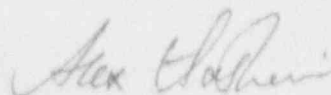

RE: License #13-18881-02

Dear Sirs:

This is a response to NRC bulletin 92-02. The Cobalt-60 teletherapy machine in our institution is a Theratron 780 unit. NRC bulletin 92-02 does not apply to our machine, therefore we are exempt from additional response.

If you have any questions, please feel free to contact me at (219) 284-7461.

Sincerely,

Alex Hashemi, M.S.
